Freedom Express 288BHDS

A place for everyone. A journey for all of you.

Separate sleeping zones give parents privacy and children a space of their own. The slide-out opens up room to eat, laugh and unwind together.

Space	What it gives your family
REAR BUNKS	Double-size bunks give the kids a dedicated retreat - with fewer nightly bed conversions.
BEDROOM	A private front bedroom gives parents a calm, comfortable space to close the door and recharge.
SLIDE-OUT	Generous shared space for slow breakfasts, rainy-day games and relaxed evenings together.
OUTDOORS	The outdoor camp kitchen keeps you close to fresh air, long summer evenings and the conversation.
FREEDOM	600 W solar and 210 Ah lithium and a 1200 W Inverter support more flexible escapes and longer family adventures.

Less packing around. More being together.

A home away from home, made for the moments your family will talk about long after the journey ends.

Freedom Express 288BHDS

Go further. Stay longer. Feel at home.

Space a privacy with a capable lithium and solar setup support more flexible escapes, while the family bunkhouse layout makes extended touring feel easy.
