Villa Caravans - In Stock

Four ways to make the road feel like home.

From quiet escapes for two to family adventures with room to grow, every in-stock Villa combines Australian craftsmanship, considered comfort and long-term confidence.

Model	Who it is made for
FAMILY SE	Semi-off-road family bunkhouse with 4-5 berths, 760 kg payload and 420 W solar. Now \$109,850.
FAMILY SE OFF-ROAD	Off-road family freedom with independent dual-shock suspension, bunks and 190 L fresh water. Now \$122,850.
LUXURY 19'6	Premium off-road comfort for two. 630 W solar, 400 Ah lithium. Now \$127,850.
SUMMIT 19'6	Flagship off-road luxury for two. 840 W solar, 400 Ah lithium. Now \$149,800.
EVERY VILLA	100% Australian built, prepared for New Zealand and backed by a five-year structural warranty.

Built to be part of your life for years to come.

The right Villa is the one that makes you want to stay one more night, take the longer road and plan the next journey before this one is over.
